To Whom It May Concern:

We confirm that BURGESS No. 17 is 100% Kaolin clay [CAS No 1332-58-7 / EC No 310-194-1].

Regarding the UK-REACH registration, and other similar registrations such as European Union's REACH, South Korea's K-REACH, Turkey's KKDIK, India's ICMSR, and the EAEU's Eurasia-REACH, this product is considered a natural mineral that has been processed mechanically, not chemically changed, meeting a category exemption like that found in Annex V paragraph 7 of the UK regulation.

Sincerely,
